

We are hiring!

It is an exciting time at Marcryst International due to growth and expansion and therefore we are seeking to appoint full time

Product Supporter / Demonstrator

The Job:

Making customers experience the difference with our innovative products through professional product testing:

- **Product Demonstrations**
Showing and training users in the best use of power tools and their accessories
- **Product Training**
Training our customers, their sales staff and customers, in how to recognise and show the differences between the various quality levels
- **Relationship Management**
Build up trust and maintain relationships with both our customers and their users
- **Market Intelligence**
Keep an eye on and report on what the market does, what the users want and need, and how to make their job easier

The Person:

The successful candidate will have:

- A passion for technical tools.
- Good technical and demonstration skills.
- Confident in helping people by showing how to do the job easier, quicker and save money.
- Pride in wanting to be the best and successful.
- Prepared to travel regionally, attend trainings nationally and internationally.

The Offer:

A versatile field of application. The opportunity to work independently and responsibly within a successful international company to become an integral and valuable team member, a long-term career, competitive salary plus an excellent benefits package. This position represents a great opportunity to be part of, and drive the future direction of Marcryst in an exciting market with massive growth potential, working with flat hierarchies.
